Adjudicators remarks - Triptych Sparke.

Confident opening, good drive and pulse.

[D] seem to lose a bit of drive.

[F] Good ensemble but a bit of suspect tuning

[H] Gets a little scrappy

[J] Not quite getting correct musical lines coming through.

[K] Can come to point the notes a little more please

[L] Baritone plays musically but a little sharp.

[P] Notes take a little at end through here, but you keep the intensity.

[S] Better pointed notes here maybe a bit too much as intonation suffers, and ensemble shape as was going well.

[T] Has drive and excitement. Well done Cornets and horns. Great percussion, thanks.

[W] Good basses

[Y] A little more energy through long notes please.

[Aa] Contrast instead!

Great finish and some lovely playing, good direction. Many thanks.
